STEPHENS

Salient Six

Hand-Built Bodies

Stephens Bodies are hand-built with the same painstaking care and workmanship, that is given to the finest custom-built bodies.

From the day the first priming coat is applied to a Stephens body, until the last coat is dried and set in the dark room, it is in constant process of painting, drying and hand-rubbing.

It is interesting to know that the hand finishing of each Stephens body requires 30 days' time.

Knowing this you will more readily appreciate the finer quality and the greater value that is yours in ownership, of a Stephens Salient Six.

Spring Suits for Women and Misses

One of the greatest Pre-Easter Sales that could be arranged is offered for Monday's selling—300 Spring Suits for Women and Misses. They are all representative of the great policy of Abraham and Straus to consistently live up to our Triangle of Economy—STYLE and QUALITY at a PRICE.

200 Women's Suits**\$29.75****100 Misses' Suits****\$29.75**

Made of the finest all-wool Men's Wear Serge, these Suits are the styles and quality that are only duplicated in higher priced garments. THIS IS A VERY SPECIALLY PRICED ASSORTMENT. One Suit is trimmed with wide black silk braid and bone buttons, in black or navy blue. This is a copy of a higher priced model. Sizes 34 to 44.

The second Suit is mannishly tailored, in black or navy blue. Sizes 34 to 46.

The third picture shows a smart model in black or navy blue Serge, trimmed with vertically applied braid at the wide side pockets. Sizes 34 to 44.

Two of the models in this collection of smart Spring Suits are shown at the right of the picture. One is a deliciously spring-time Suit of light weight wool velours in attractive checks—tan and blue, buff and rose, gray and green. These are smartly youthful tailored Suits of Serge and of Goldtone in straightline jacket modes, or jackets that flify flare at the hips.

Braid trimmed Suits, and others that are severely tucked to proclaim their tailoredness—and, of course, all the skirts are straight and prim of line.

Sizes 14, 16, 18 and 20 years.

Second floor, Central.

WOMEN'S FROCKS

\$32.50

Specially priced Taffeta Dresses are offered for Monday's selling. Very smartly designed and following the latest notes of STYLE.

The two models pictured show the tendency toward more drapery in the skirts, and while the drapery may be at the sides, the back or at one side only—still there is much to be said in favor of draped effects.

There are tunic effects in this collection, and vestee modes—and the always becoming surplice effects.

Novel effects in cordings, beading, and colors to contrast with the black, Navy, Copenhagen or taupe of the silk frock. Sizes 34 to 46.

Second floor, Central.

WOMEN'S COATS

\$24.95 and \$39.95
